

KINGWOOD PSYCHIATRY WEB SITE VISITOR AGREEMENT

This site is intended for educational use. The content provided is meant to offer the user a general understanding of healthcare topics, conditions, and Kingwood Psychiatry programs and services.

This site does not provide medical advice, diagnosis or recommendations for treatment. The content and information on this site does not replace any medical advice provided by your physician or qualified healthcare provider. If you think you may have a medical emergency, call your doctor or dial 9-1-1 immediately

Consult your healthcare provider for medical advice or information regarding diagnosis or treatment of a medical condition. Always follow your healthcare provider's instructions.

Kingwood Psychiatry does not recommend the self-management of health or medical problems, nor does Kingwood Psychiatry promote or recommend any particular form of medical or alternative treatment. You should always seek prompt medical care for any specific health issue and consult a physician before starting any treatment.

Kingwood Psychiatry may provide links to third-party Web sites. Kingwood Psychiatry does not recommend and does not endorse the content on any third-party Web sites. Kingwood Psychiatry is not responsible for the content of linked third-party sites and does not make any representations regarding their content or accuracy. Your use of third-party Web sites is at your own risk and subject to the terms and conditions of use for such sites.

The Kingwood Psychiatry web site and the content are provided on an "as is" basis. The use of the Kingwood Psychiatry web site and the content is at your own risk.

When using the Kingwood Psychiatry web site, information will be transmitted over a medium that may be beyond the control and jurisdiction of Kingwood Psychiatry. Accordingly, Kingwood Psychiatry assumes no liability for or relating to the delay, failure, interruption, or corruption of any data or other information transmitted in connection with use of the Kingwood Psychiatry Web site.
